

OWENROE

**2008
Cabernet Franc
Slide Mtn. Vineyard**

TASTING NOTES

Slide Mountain is a marvelous site surrounded by the Yakama Nation Reservation in the far west-end of the Yakima Valley. These Cabernet Franc grapes are among the finest that we are lucky to work with. The depth of concentration and fragrance with trademark tobacco and green olive flavors make this a complete, well-balanced wine. This is a tiny block of only $\frac{3}{4}$ acres which yielded deliciously balanced fruit was in Mid October.

The wine is aged in previously used French Oak barrels in order to mature the wine gracefully without imparting oaky flavors. The Slide Mountain Cabernet Franc has violet perfume to match green olive flavors with lovely berry fruit and sweet tobacco notes on the finish.
