

**2008
Pinot Noir
Sharecropper's**

TASTING NOTES

The 2008 Sharecropper's Pinot Noir was sourced from several sites in the Northern Willamette Valley, predominately the Eola-Amity Hills and the Yamhill-Carlton District. The long Indian Summer of 2008 allowed unusually deep aromatic development while the mild temperatures helped to preserve excellent crisp acidity. This vintage is well balanced with a lovely plush texture and deep rich flavors of red cherries, cola, and coffee. 2008 is a gorgeous vintage not to be missed!
