

OWEN ROE

Riesling DuBrul Vineyard

2008 Washington Riesling

The long and moderate growing season of 2008 yielded beautiful fruit with complex flavors and fragrance. The wine's natural high-acidity and low pH with bright tropical flavors are consistent with the finest Rieslings and will cellar well over the next 10 years. Pair this dry Riesling with seared scallops, grilled shrimp, avocado mango salad or just by itself.
