Ex Umbris Syrah

2008 Ex Umbris Syrah

"Ex-Umbris" is Latin for "out of the shadows". Originally made as a one-off due to a wildfire that resulted in tremendously smoky grapes, this wine has become a NW signature Syrah. Unctuous and fruity perfume precede the velvety texture with bushels of blackberry, peppercorn and black licorice.

Enjoy this with a grilled NY Strip steak, roasted rack of lamb, or with a good friend on the back porch in the golden light of dusk.
